Launch Into Logic and Language Learning

Power up young minds with STEM and STEAM learning that sticks. Launchpad builds critical thinking and real-world problem-solving skills to help kids grow confident and ready for the future. Plus, new Learning Explorers and Language Learning packs give patrons a passport to curiosity and global discovery. With Launchpad, learning never stops!

STEAM Academy

STEAM Academy offers an interdisciplinary approach that weaves together the science, technology, engineering, art, and math skills learned in the classroom and connects them to things kids see every day.
